

# The Coca-Cola Company School Beverage Catalog

The Coca-Cola Company is proud to join with the Alliance for a Healthier Generation on the implementation of new School Beverage Guidelines. These Guidelines offer a broad range of lower-calorie and nutritious beverages for students to consume during the regular and extended school day. Our bottlers are standing ready to work with you on aligning the beverages you sell to students to the Alliance School Beverage Guidelines.

The Coca-Cola Company beverages listed below fit the Alliance School Beverage Guidelines, with certain differences marked for elementary, middle, and high schools. Please note that some products may not be available in all markets. Please contact your local Coca-Cola Company bottler or food service supplier, The Coca-Cola Company headquarters at 1 800 Get Coke, or visit [www.coca-cola.com](http://www.coca-cola.com) for more information on these beverages. For more information on the Alliance for a Healthier Generation, visit ([www.healthiergeneration.org](http://www.healthiergeneration.org)).
